

What are the challenges for pharmacy over the next three months	What are the important points you will take away from this webinar?	Comments and feedback
Covid	Enjoyed_webinar_thankyou	Very helpful with PQS
Covid	Helped to ensure on track for PQS submission	Sorry my mic not working.
Still reduced access to GPs for our community	Good to talk	Great webinar, nice to talk and put a face to our PCN
Staffing levels	Good to speak with PCN members	Hope you're feeling better soon
Covid vaccinations	Open communication within pcn and feel assured we are on track with pqs	Useful meeting
Gp referrals as well as 111 referrals	Have discussions with the team about how to have the conversation with customers about weight and bmi	Nice to have global view of pharmacy not just a company view
COVID_Vaccines	How to approach having weight management conversations with patients	Enjoyed webinar explained well break out group was really enjoyable
Implementing_our_PQS_action_plans	Key contact with Pcn lead and Lia's wit each other more	Most useful - clever tech.
New_services	DMS	Useful session
Keeping up with vaccines	Support pharmacies in my PCN with buddying for business continuity	Brilliant webinar platform (once managed to log on) great interactivity
PQS	Thinking about who to buddy with for continuity.	Really useful meeting.
Covid	Complete action plans	Very informative with the covid vaccine
Covid_vaccinations	Collaboration with other contractors	Really good to connect with pharmacies in my PCN
New_services	Nice to meet some people in my PCN and happy to help support each other to get over the line with PQS	Really_helpful
Keeping_updated_with_changes	Getting training completed
